

FOR IMMEDIATE RELEASE

RTV, Inc. Announces New Full Service Provider in Rochester, NY

Rochester, NY - February 9, 2009— Mac Village Productions has recently partnered with RTV, Inc. the world's largest and fastest growing virtual tour software provider. As a RTV full service provider Mac Village Productions will be able to offer state-of-the-art virtual tours and innovative online marketing solutions to local real estate agents and businesses. Mac Village Productions has completed proprietary training as a certified RTV full service dealer and will also be offering their clients and customers expert advice on internet marketing.

Rick Simons, President of RTV said, "Today, more than ever, clients need a media rich internet presence that will convert internet visitors into leads. Bill Harris brings a wealth of experience with marketing, web design, search engine optimization (SEO), multi-media, and photography that will serve his clients well throughout upstate New York and the Finger Lakes region. As a true marketing consultant, Bill is a much welcome addition to the RTV dealer network."

Bill Harris, RTV provider and President of Mac Village Productions stated, "Nearly all shopping now begins with an internet search. Our goal is to help Western, NY business owners differentiate themselves through virtual internet marketing by incorporating great website designs with virtual tours, infomercials, and photography! With this partnership we are truly excited to be able to complete our offerings to our customers with a one-stop solution for web site design, virtual tours, infomercials, commercial photography, and Apple consulting."

About RTV, Inc.

RTV, Inc. is a recognized leader in interactive 360 panoramic virtual tours and virtual tour software. Over the past 9 years, the virtual tour software company has built up one of the world's largest and most powerful networks of virtual tour providers. RTV virtual tours are chosen over other virtual tour software programs daily by intelligent business owners who demand the best virtual tour software to showcase and market their businesses online.

About Mac Village Productions

Mac Village Productions is Upstate NY's premiere full service provider for Apple consulting, innovative web 2.0 website design work, and rich media incorporating virtual interactive presentation through the use of video services, photography services and RTV virtual tours.

Mac Village Productions was founded in 2008 by William K. Harris. The production team is managed by Designer, Photographer, and Film Editor Bill Harris. He along with a skilled team of graphic designers, developers and innovators pushed the envelope of creativity to deliver more value with minimal investment.

Mr. Harris is an experienced Information Technology Professional with over 25 years of experience selling and implementing complex global enterprise solutions. He excels at conveying solid return on investments which have allowed him to close more than \$200M in solutions sales.

As an Information Technology Specialist; Bill has led high performance client solution engagements thru the life cycle of opportunity identification, business development, product management, implementation, and deployment. He has extensive experience in data storage, content management, and business workflow solutions utilizing a plethora of different technologies.

As a Technology professional, Bill has served in an executive capacity in business operations such as EMC North American Solutions Division, PTC Global Services, and Xerox Global Services. In these positions he led client facing solutions focused project teams, large scale technology outsource programs, and performed as an executive consultant.

He is now taking these years of experience and applying them to Mac Village Productions to drive outstanding solutions and value for his customers in Rochester NY.
